- Departure of all delegations

* Things to do until the last meeting in Portugal

- Be prepared to write the final report (bring everything on a stick, have a look at the boxes to be filled)
- Plan for Terceira: go whale/ dolphin watching; go swimming
- Send Henar all activities/ things for the handbook at the latest at the end of May
- Update and finish eTwinning page (especially results of TTLAs, products the students produced —> good example TTLA Portugal; upload material), has to be finished before going to the Azores
- EUROPASS: every partner has to register (one registration per school), Catalina will then send help how to create the diplomas with screenshots
