Friday: 1st June 2018:

- 9:00 - 11:15: working session
 - Spanish inform about how to get best to Pontevedra; the group decides to get flights to Porto as closely together in time as possible so that the Spanish can maybe charter a bus to take the entire group to Pontevedra
 - Spanish inform about what needs to be done for the LTTA3 in Spain (as already talked about in Greece) and present their ideas about the activities at the LTTA3 in Spain:
 - different presentations on aspects of emi- and immigration (see minutes from meeting in Greece)

- reflections on pull and push factors in international groups (Greece will send definitions of push and pull factors in June, so that they can already be dealt with beforehand in each partner school)
- each country will have prepared and have worked on a piece of literature dealing with migration (book, poem, short story, song or else) in their home country in their mother tongue; students that attend the meeting in Spain should be able to present the poem (title, topic, plot) in English (see minutes from Greece); in Spain students work in International groups on the different pieces of literature (results will be published in the digital book)
- performance of forum theatre (the Spanish will try to prepare a play to be dealt with beforehand)
- Greece will send the glossary of terms (to be edited beforehand) that all partner schools will translate into their mother tongue and bring it as pdf-file to meeting in Spain
- Group work with division of labour on different sections of the mobility tool and midterm report
- 11:15 - 12.30: working session
 - Revising and editing the 2-year-working plan for the second project year:
 - Online meeting on January 11th, 2019, activity for Europe Day (9th May, 2019) during LTTA5 in Romania (5th until 11th May, 2019), online meeting 29th March 2019
 - Around 26th September 2018 (language day): students send a video with a short greeting to everyone (around 5 min) in English and their mother tongue; they show their school and team and the video should also include something about the topic „migration“ and their experiences of the first year (the action is meant to replace the chat conference intended in the original 2-year-plan)
 - Section 11-12/18 (in original 2-year-plan): as preparation for LTTA4 in Germany: research on how society changes due to migration
 - Section 01/19 (in original 2-year-plan): 11th January 2019 (time: 16:00): teachers' online meeting via Facebook (responsible for reminder a week before and setup on that day: POR)
 - Section 02/19 (in original 2-year-plan): no more reading of the lecture „A morning in Lampedusa“; instead: visit of the „Auswandererhaus“ (Museum of emigration / German emigration Center) in Bremerhaven (day trip by train)
- participants name numbers of students and teachers (and their sexes) going to Spain
- First ideas for Romania: final exhibition on Europe Day (May 9th, 2019); in preparation for production of a video in international group during the meeting in Romania (Youtube: lip dubbing video)
- 12:30 - 13.30: lunch break
- 13:30 - 17:00: free time
- After 17:00: visit of regional and traditional market in Buzau
