

## Students evaluation TTLA1- Terceira/ Portugal/ November 2017

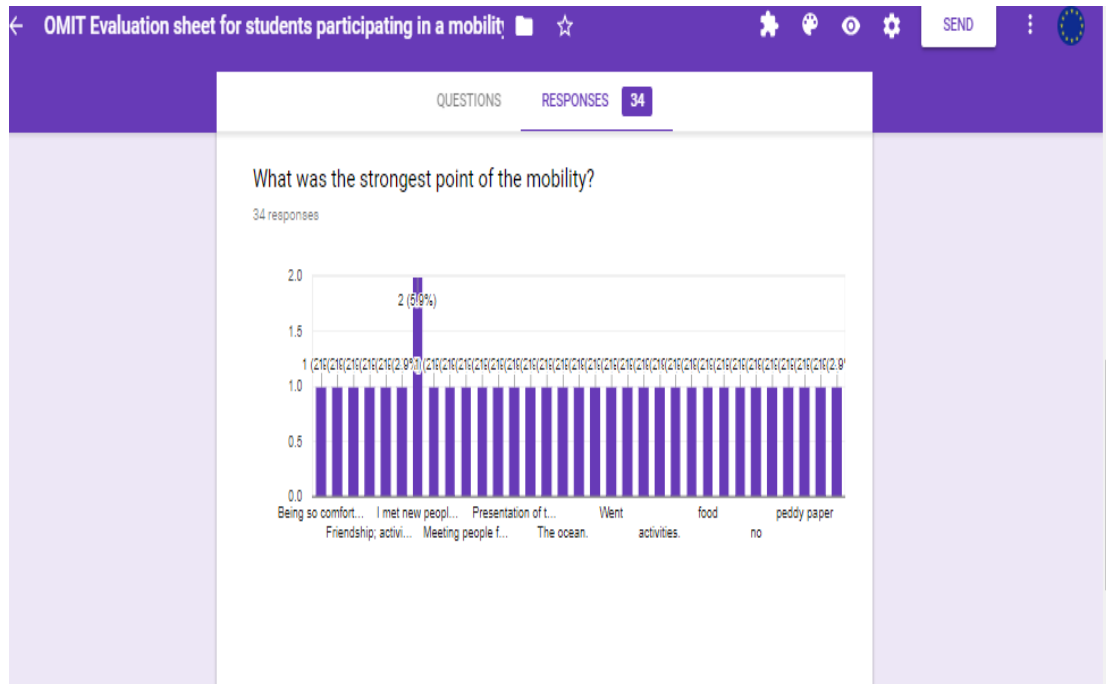

34 students answered to the questionnaire. Here are some aspects related with their answers.

Most of the students( 38%) appreciate the preparation before the TTLA1. Also travelling, accomodation and food were appreciated by most of the students. These items showed the quality of the preparation of these meeting.

Most of the students( 38%) meet the expectation they had about this TTLA. Here are some of their answers: „yes, VERY”, „In communication with other people”, “to make friends so good”, “at friend’s home”, “in the friendship we did”, “the expectation went good”.

**Strong points of the mobility:**

I met new people and I did new friendships

Being so comfortable with my family

Do new friendship

Everything

New friends and new knowledge about other countries

Friendship; activities.

Meeting people from other countries

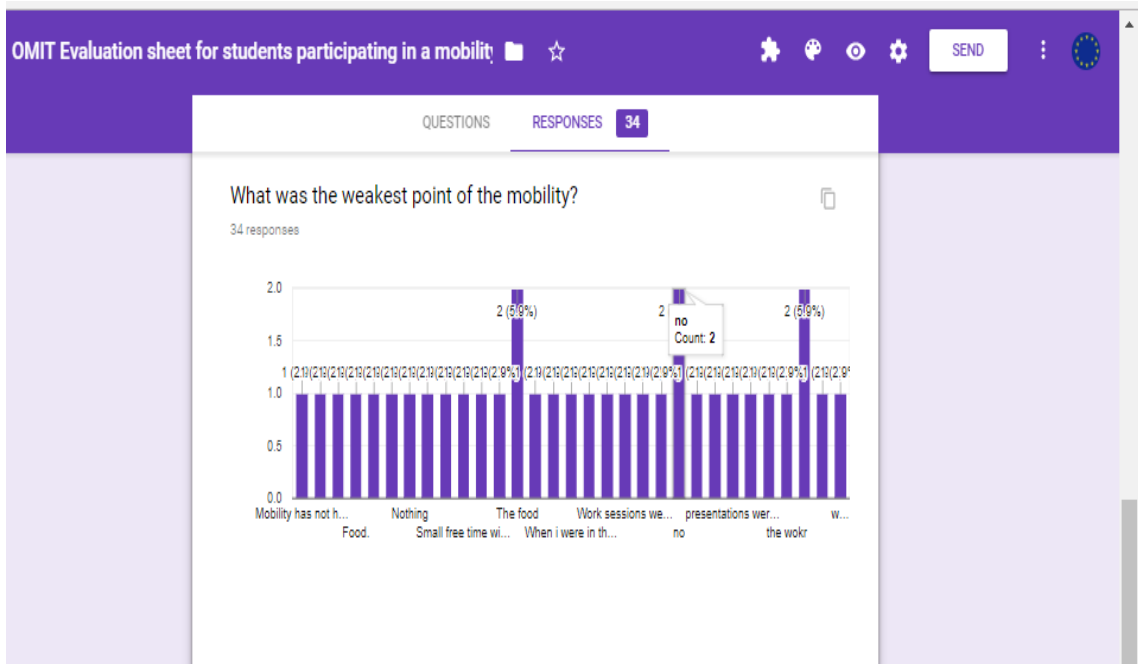

Presentation of the island

Activites

Food

Peddy paper

Organization, communication

Week points:

No, nothing

Mobility has not had any weaknesses

Food

Small free time with the new friends

When i were in the house

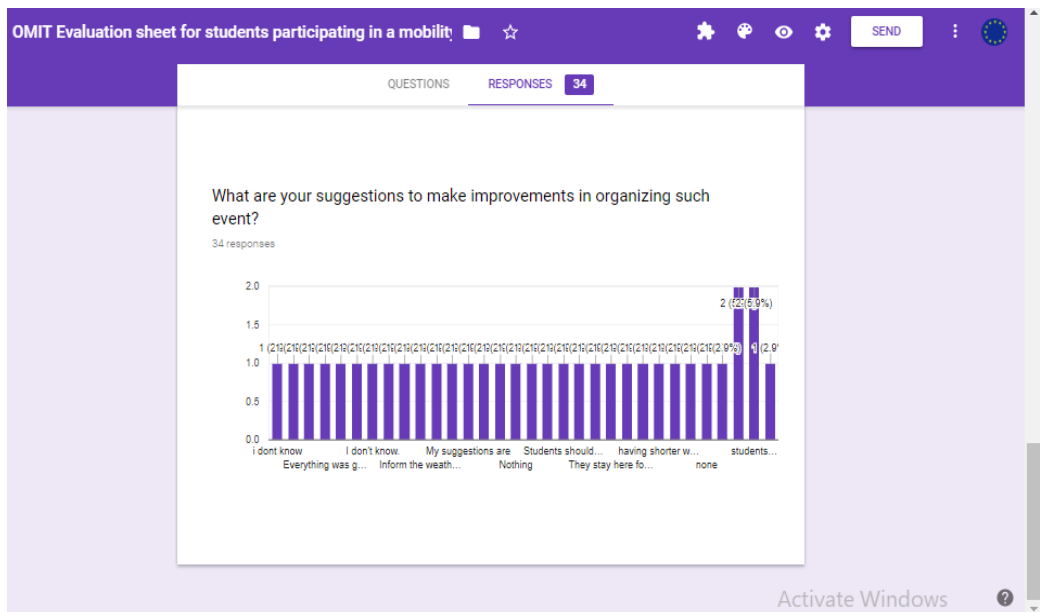

Work sessions were a bit noisy

Presentations were too long

Pedy Paper in Angra

Communication language

The distance

Some proposals made by students to improve the activity:

Students should be quieter

Everything was great

Inform about the weather and spend less time at school

Having shorter working sessions

They stay here for more time.

To create more activities

More free time

Everything is perfect
