QUESTIONS RESPONSES 23

What was the weakest point of the mobility?
23 responses

- I would like to have seen more of Greece, but it was great
- the food
- I don't know
- none
- When we were just in the school
- lingua
- nada
- Non.
- The travel was very exhausted.
- The duration of the mobility, it was too short in my opinion
- The food
- There wasn't a weakest point

- I would like to have seen more of Greece, but it was great
- The duration of the mobility, it was too short in my opinion
- When we were just in the school
- The food
- The fact that we were exhausted after the whole day
- The fact that we didn't have enough free time.
- A lot of people didn't get a long with the student they hosted
- When we went ancient Olympia
- I live in the village far away from the city
- We were doing many things everyday and although we had a lot of fun it was really tiring
- no one

The suggestions to make improvements in organizing such event, in the students' opinion, are:

- More communication between the countries
- planeamento semanas antes
- Better transport conditions.
- I think we have to make more activities to get to know each other
- Better food
- You should organise it better
- Make the programme less tiring
- The children need to select the person who is hosting them or the person they want to host so they could bond and have a good time easily
- Make better food
- I would like to have a guide in Ancient Olympia

- My suggestion are: having more activities
- We should organize better the time we had to prepare everything
- I find it quite well organized, I do not know what should be improved.
- Nothing
