

In Buzau, “we discovered new cultures, meeting new people and being with my Romanian partner and his family”

Students from 4 countries were present at Buzau at the OMIT project meeting. In a warm, friendly, age-centered atmosphere, the students debated the issue of migration and its influence on children with their parents gone.

The results of the satisfaction questionnaire applied to the final are the following

| no sujctions. | ▲ |
| the planning should be more accurate | |
| nothing | |
| anything | |
| Visit the tradicional places | |
| make some activities to do just with the host | |
| I would suggest to give the students a clear scope of task and to really check, if every student is willing to work for it. | |
| I suggest that it could be good if they planned more activities because only the first 2 days we did a lot of activities | |
| To cleary say what we have to do and how and to better plan the activities | |
| Improve communicattion between delegations and between teachers and students | |
